

Preparation Guide

MOCCAMASTER

Equipment

A Moccamaster Select electric coffee maker

A Moccamaster No. 4 filter

75g of our Organic Rwanda coffee

Recipe

75g of ground coffee

Grind size: medium-coarse

1.25 L of filtered water (8-10 cups)

Total infusion time: 6 min

1. Grind the coffee according to the grind setting indicated.
2. Fill the tank with cool or room-temperature filtered water according to the amount indicated.
3. Fold the filter on both edges and place it in the filter holder.
4. Rinse the filter with hot water to remove the paper taste, then pour in the coffee.
5. Press the start button to start the process.
6. Once the coffee is extracted, share and enjoy your delicious beverage.
